

# Soapbox Competition Application Form

## “Brexit: Ireland’s Opportunity”

### What is a soapbox?

The term soapbox originates in the use of an empty crate as a platform by speakers to give speeches, often impromptu, to passers-by from around the turn of the last century. The most famous location for soapbox oratory is Speakers Corner in Hyde Park, London, which has been a setting for public speaking since the 1870s.

### Competition Format

Each presentation will consist of a three-minute speech for or against the topic. The presentation will be made at an event before a public audience and a panel of judges. Prizes are sponsored by the European Commission Representation in Ireland and local Members of the European Parliament.

**The national final will be held in Dublin on Tuesday, 7 November 2017.**
