

## Year Round Events

Library staff visit primary schools in advance of our successful annual Summer Reading programme **Summer Stars** which encourages children to read books from the Library during summer months. Participating children collect rewards along the way and a medal and certificate at the end.

**Crinniú na nÓg**, a day of free creativity for children and young people takes place annually in June with events in all Sligo Library branches.

Contact your nearest branch Library for information about events for schools such as

**October Book Festival , Sligo Science Festival, Engineer's week, Seachtain na Gaeilge, World Book day and World Poetry Day.**

## Teacher Cards

Teacher cards previously used on our Schools Mobile Library can be used to borrow from your nearest Library branch. New Teachers who do not have a Teacher card can request one in their local Library.

Up to 40 items can be borrowed on a Teacher Card for a 12 week loan period.

Teachers are requested to renew/return items to the Library after the 12 week loan period.
