

BOOK REVIEW

Book Review

To enter the Book Review competition our Summer Stars must return their Book Review sheet, telling us why they liked (or disliked!) reading one of their books over the summer!

You can also give your book a rating out of 10!

When you finish your Book Review bring this sheet back in to the library to enter to win a prize!

For even more fun take a photo of yourself completing some of the challenges and send it in an email to sligolib@sligococo.ie to be featured on our social media!

Don't forget to fill out this part!
