Sense-Ability

Sligo Central Library

This is what I will see when I approach Sligo Central Library.

I can enter through the door towards the rear of the building.

Reception/Staff Desk

I can go to the desk and ask the staff member on duty there for any help or assistance needed.

Library Cards

I get to choose what library card design I would like when joining the Library! I need to bring ID and address details with me.

Sense-Ability Card

A Sense-Ability Library Card, which allows me access to the Sensory collection, is also available.

I need to ask one of the staff at the desk for more information about this service.

Juvenile Library

This is what I will see in the Juvenile Library.

The books are arranged alphabetically and by colour code.

I can ask the staff for assistance when looking for an item.

Sense-Ability Catalogue

If I sign up for a Sense-Ability Library Card, I can search for what items are available by using the Sense-Ability Catalogue.

I can search the physical catalogue, available in the library, OR I can log onto the Sligo Library website and look at the collection catalogue online.

Seating Area

I can sit in an area beside the Juvenile Library where there is soft seating and fidgets available for me to utilise if need be.

Toilet Facilities

I can go out the door beside the seating area into the rear lobby. The second door on the left is the one to gain access to the toilet facilities.

There is a hand dryer on the wall which is noisy, I do not have to use this.
